

TAHLIL ULLAH SHAIKH

Udaipur, Rajasthan | tahlil.shaikh2004@gmail.com | 7023968871

PROFESSIONAL SUMMARY

Aspiring Product Manager with hands-on experience in product planning, requirements gathering, user stories, QA coordination, documentation, and cross-functional collaboration across games, AI learning, and software products. Passionate about building user-focused products, improving workflows, and turning ideas into impactful solutions.

WORK EXPERIENCE

Product Manager Intern | ToBa Tech Solutions, Udaipur

April 2026 – September 2026

- Worked on product planning, feature requirements, user stories, sprint tracking, documentation, and delivery coordination.
- Coordinated with development, UI/UX, artists, and QA teams to track work, resolve blockers, and support releases.
- Contributed to CricketX, QuizVerse, and Red Light: Space Crew across product, gameplay/features, UI, QA, and backlog management.
- Created product documents, requirement notes, bug trackers, backlog/sprint sheets, and stakeholder/task reports.
- Supported playtesting, issue tracking, fix verification, monetization, analytics, ASO, marketing, and user-funnel initiatives.

Product Manager Intern | Yaveta Solutions

September 2025 – March 2026

- Completed a six-month Product Manager internship, contributing to ongoing product initiatives and cross-functional project work.
- Supported product planning and execution efforts, working with the team to move key initiatives forward.
- Recognized by leadership for consistent dedication, professionalism, and strong commitment to learning throughout the internship.

Graphic Designer Intern | Websenor

June 2025 – September 2025

- Designed logos, marketing collateral, and brand visuals using Figma and Canva.
- Collaborated with the team to create consistent and engaging visual assets.

Non-Technical Member | Google Developer Group (GDG)

2024 – 2025

- Supported event coordination and community engagement activities.
