PROFESSIONAL SUMMARY

Product Manager Intern at ToBa Tech Solutions supporting AI Agents & Workflow Automation releases for the US market. Bridges product planning, engineering, and design - writing requirement notes and acceptance criteria, prioritizing sprint goals, and shipping live Python products that recruiters can click.

WORK EXPERIENCE

Product Manager Intern

ToBa Tech Solutions, Udaipur | April 2026 - Present

- Support planning and prioritization for AI Agents & Workflow Automation releases (US market).
- Write requirement notes, workflow docs, and sprint-ready acceptance criteria.
- Coordinate with engineering, design, and QA to track delivery and clarify done criteria.
- Use a CS / Python background to write buildable tickets and catch gaps early.

Graphic Designer Intern

Websenor | Jan 2025 - Mar 2026

- Built brand-consistent logos, banners, posters, and social creatives for digital and print.
- Delivered under campaign deadlines while keeping visuals aligned to brand guidelines.

Web Content Writer Intern

InAmigos Foundation | February 2023

- Wrote and edited web content and documentation to support foundation outreach.

Non-Technical Member

Google Developer Group (GDG) - Institute for Plasma Research | 2024

- Supported event coordination and community engagement for the developer group.

FEATURED PROJECTS

ByteMind News | Python, Flask | bytemind-news.onrender.com

AI news aggregator with search and categories. Product MVP: fast scan + categories, not a heavy social feed.

Online Voting System | Python, Flask, SQLite | voting-site-1.onrender.com

Digital voting with candidate listing and live results. Product choice: persistent, auditable results.

Flowera - Online Flower Shop | HTML, CSS, JavaScript | flowera.onrender.com

Shopping-style storefront focused on clear browsing. MVP: collections first, not payments.

Personal Portfolio | HTML, CSS, JavaScript | portfolio-x8op.onrender.com

Notice-board portfolio with case studies, dark mode, and resume download.

EDUCATION

B.Tech, Computer Science Engineering

Geetanjali Institute of Technical Studies | Currently pursuing | CGPA: 7.63/10
Class XII (CBSE) - A-One Sr. Sec. School, 2023 - 60.61%
Class X (CBSE) - St. Teresa Sr. Sec. School, Udaipur, 2021 - 55.00%

SKILLS

Product: Jira, Leantime, Notion, Slack, GitHub Projects, user stories, acceptance criteria, sprint planning
Technical: Python, Flask, HTML, CSS, JavaScript, GitHub, Firebase, SQLite
Design: Figma, Canva, branding, social media design
